Under the provisions of Rule 37 of the Mysore Legislative Rules, 1941, the Hindu Inter-Caste Marriage Validation Bill, together with the statement of objects and reasons, is hereby published.

By Order,

K. PHEROZESHAW POONEGAR,

Secretary,

Mysore Legislative Council.

THE HINDU INTER-CASTE MARRIAGE VALIDATION BILL.

(MOVER.—Mr. M. A. Gopalaswami Iyengar, Member, Legislative Council).

WHEREAS it is expedient to recognize and place beyond doubt the validity of inter-caste marriages of Hindus ;

It is hereby enacted as follows :—

1. (1) This Act may be called the Hindu Inter-Caste Marriage Validation Act, 194 .

(2) It shall come into force at once.

(3) It extends to the whole of Mysore and applies also to all Hindu subjects of His Highness the Maharaja without and beyond Mysore.

2. Notwithstanding any law, usage or custom to the contrary, no marriage contracted between two persons being at the time of the marriage Hindus shall be invalid by reason only of the fact that the parties at any time belonged to different castes or different sub-castes of Hindus.

Statement of Objects and Reasons.

The Bill is intended to recognise and place beyond doubt the validity of inter-caste marriages among Hindus. It is in consonance with the sentiments of the Hindu community to-day.

In British India, the law has already provided for inter-caste marriages among Hindus. Similar legislation in Mysore has been long overdue. The Bill is intended to meet this lack of legislation in the State.

A BILL TO AMEND THE REMOVAL OF CIVIL DISABILITIES ACT, 1943.

(MOVER.—Mr. M. Madiah, Member, Legislative Council.)

WHEREAS it is expedient to amend the Removal of Civil Disabilities Act, 1943, for the purposes hereinafter appearing; it is hereby enacted as follows:— Act XLII of 1943.

1. This Act may be called the Removal of Civil Disabilities (Amendment) Act, 194 . Short Title.

Amendment of Section 3, Act XLII.

2. In Section 3 of the Removal of Civil Disabilities Act, 1943 (hereinafter referred to as the said Act), the following substitutions shall be made, namely :—

(*i*) for the words " Depressed Class " the words " Depressed Classes " ;

(*ii*) for the words " enjoying or having access to", the words " having access to or using ";

(*iii*) for the words " a right to enjoy or have access to ", the words " a right of access to or a right to use ";

(*iv*) for the words " carrying on the affairs ", the words " conducting the affairs ";

(*v*) for the word " prescription " the words " prescriptive right "; and

(*vi*) for the words " acts or omissions ", the words " act or omission ".

Addition of new Sections 4, 5, 6 and 7 to Act XLII of 1943.

3. After Section 3 of the said Act, the following sections shall be added, namely :—

Discrimination against Harijans, etc., prohibited.

" 4. (1) No person owning or being in charge of any secular institution shall—

(*i*) impose, or cause or suffer to be imposed, any restriction on any person belonging to any community or class referred to in Section 3, or

(*ii*) do or omit to do anything, or cause or suffer anything to be done or omitted to be done, so as to result in discrimination against any person merely on the ground that he belongs to such community or class.

(2) No dealer shall refuse to sell, or withhold from sale, any article which is kept by him for sale, to any person belonging to any community or class referred to in Section 3 merely on the ground that he belongs to such community or class.

" Secular institution " explained.

5. For the purposes of this Act, the expression " secular institution " includes, among others—

(*i*) any refreshment room, restaurant, cafe, coffee house, eating-house, boarding house, lodging-house, hotel or any other place where persons are provided with food, drink, shelter or sleeping or other accommodation ;

(*ii*) any place of public entertainment or amusement ·

(*iii*) any premises where goods are sold, any laundry, any shaving or hair dressing saloon or any other place where services are rendered to customers;

(*iv*) any place used for the burial, cremation, or disposal otherwise, of the dead.

Penalties.

6. Whoever—

(*i*) prevents a person belonging to any community or class referred to in Section 3 from exercising any civic right or privilege to which he is entitled under this Act, or

(*ii*) molests or obstructs any such person in the exercise of any such right or privilege, or

(*iii*) contravenes the provisions of Section 4 shall be punishable, in the case of a first offence, with fine which may extend to fifty rupees, and in the case of a second or subsequent offence with imprisonment which may extend to six months or with fine which may extend to one thousand rupees or with both.

Offence under Act to be cognizable.

7. All offences punishable under this Act shall be cognizable."

Statement of Objects and Reasons.

Section 3 of the Removal of Civil Disabilities Act, 1943 (Act XLII of 1943) provides *inter alia* that no Harijan shall be prevented or disabled from enjoying or having access to any secular institution which the general Hindu public have a right to enjoy or to which they have a right of access. But as the term "secular institution" occurring in the Act has not been defined, doubts have arisen as to its exact scope. To remove such doubts, it is proposed to add a definition (see new section 5) specifically including restaurants, hotels, places of public entertainment, shops, laundries, shaving or hair dressing saloons, burial and cremation grounds, etc., within the scope of the term so that Harijans will have the same rights as other class of Hindus in those places.

2. By way of abundant caution, it is proposed to meet a case where a shopkeeper may refuse to sell articles in which they deal to Harijans or discriminate against them in some other way. It is therefore proposed to insert a provision in the Act, prohibiting all such acts (see new section 4).

3. While the principal Act declares the rights of Harijans, it contains no effective provision for the enforcement of those rights. A penal clause has therefore been added, providing for the punishment in a criminal court of any one who prevents Harijans from exercising their civic rights or who molests or obstructs a Harijan in the exercise of such rights or privileges, or who refuses to sell articles to a Harijan, etc. A first offender will be punishable with fine up to Rs. 50 and a second or subsequent offender with fine up to Rs. 1,000 or with imprisonment up to six months or with both (see new section 6).

4. All offences have been made cognizable so that the Police will have power to arrest offenders without a warrant.

5. The opportunity has been taken to make some minor improvements in the language of section 3 of the Act (see clause 3 of the Bill).

6. This Bill follows similar legislation in Madras. Act XLII of 1943 being identical in language with Madras Act XXI of 1938, it is appropriate that amendments sought to be made in Madras to this Act should form the basis of the present Bill.

No. R.L. 13—R. A. 56-46-10, dated Bangalore, the 2nd July 1947.

No. 1402—L. C., dated 16th December 1947.

Under Standing Order 36 of the Mysore Legislative Council Standing Orders, the following Report of the Select Committee on the Bill to amend the Removal of Civil Disabilities Act, 1943, is published for general information.

By Order,

K. PHEROZESHAW POONEGAR,

Secretary,

Mysore Legislative Council.

Report of the Select Committee on the Bill to amend the Removal of the Civil Disabilities Act, 1943.

We, the members of the Select Committee to which the Removal of Civil Disabilities (Amendment) Bill has been referred, have considered the several clauses of the Bill at a meeting held on 25th August 1947 and have the honour to submit the following report :—

CLAUSE 3.

1. In Section 4 (1), after the words "secular institution", the following words be added—"referred to in Section 3".

2. In Section 4 (1) (ii) for the words "on the ground that he belongs to such community or class", the following words be substituted—"belonging to any such class or community".

3. Sub-clause (2) of Section 4 be treated as an independent clause and inserted after clause 5 renumbering it as clause 6.

4. Renumber the existing clauses 6 and 7 as 7 and 8.

CLAUSE 5.

1. In sub-section (i) after the words "lodging house", the following words be added—"choultry" and "hostel".

2. In sub-section (iii) for the word "customers", the following words be substituted—"the public".

3. Sub-clause (iv) be amended as follows :—

"any place or part of a place used by the general public belonging to all Hindu classes and communities for the burial, cremation or disposal otherwise, of the dead and not specifically reserved or allotted for any particular Hindu class or community".

Mr. M. A. Gopalaswamy Iyengar was opposed to the latter portion, *viz.*, "and not specifically reserved or allotted for any particular Hindu class or community" as it was inconsistent with the spirit of the enactment, but all the other members agreed to the clause being amended.

CLAUSE 8.

Mr. D. S. Mallappa suggested the deletion of clause 8 as it was not desirable to give such powers to the Police in such cases but the rest were in favour of its retention; hence the Committee recommend that the clause may be retained.

The Bill was published in the Official Gazette in English on 3rd July 1947.

We recommend that the Bill need not be republished, as the Bill has not been so altered as to require republication.
